

RCA **EMPLOYMENT** Opportunity

RCA IS CURRENTLY SEEKING NUCLEAR MEDICINE TECHNOLOGISTS WITH CARDIAC EXPERIENCE FOR CALGARY CLINICS

LOCATION:	Various Calgary Clinics
HOURS:	Monday to Friday 7:30am – 4:30pm (hours will vary)
COMPETITION OPENS:	February 13, 2012
COMPETITION CLOSES:	March 13, 2012

ROLE PROFILE:

We are seeking a Nuclear Medicine Technologist with excellent communication skills to perform routine Nuclear Medicine exams, Cardiac Imaging and Cardiac Stress Testing for our Calgary clinics. This candidate will perform exams in accordance with CAMRT and the ACMDTT standards of practice and shall adhere to their Codes of Ethics. This position will require some travel to our other clinics that perform nuclear medicine to ensure proper staffing and coverage. The technologist will gain the patient's confidence by obtaining pertinent history, describing the procedure and answering any questions. An "If there is a job to be done it is my job to do it" attitude is required.

RCA **EMPLOYMENT** Opportunity

RESPONSIBILITIES INCLUDE:

- Adheres to strict Radiation Protection guidelines and compliant with all regulatory requirements.
- Performs nuclear medicine procedures in a professional manner.
- Ensures adequate quality assurance is performed.
- Ensures high quality of standards is met.
- Ensures the correct preparation, transport, storage and usage of radiopharmaceuticals in all cases.
- Performs advanced and accurate diagnostic techniques and commits to continued excellence by constant learning.
- Demonstrates flexible and multi-tasking attributes especially while performing cardiac stress testing.
- Contributes to the team in a positive manner and treats one another with loyalty, respect and dignity.
- Fostering a positive workplace and is proactive in carrying out duties is vital to the success of this role.
- Maintains an ongoing knowledge with clerical duties and performs other non-technical duties.

If you are interested in a role as a Nuclear Medicine Technologist with RCA please submit your resume to hireme@radiology.ca

We are an equal opportunity employer, offering work/life balance, flexible career opportunities, employee training and competitive compensation.

We thank all those who apply. Only those selected for further consideration will be contacted.
