

## **Temporary Members**

An ACMDTT member holding a temporary practice permit is not required to comply with the Continuing Competence Program until she/he becomes registered as Full active status.

The ACMDTT does however encourage those members holding temporary permits to continue to explore learning activities to enhance their early careers.

## **Associate Members**

An individual holding an ACMDTT Associate membership is not required to comply with the Continuing Competence Program until she/he becomes registered as Full active status.
